BIG CATCHES OF MACKEREL

TEN THOUSAND POUNDS CAUGHT IN ONE HAUL NEAR DESTIN MONDAY—OTHER VERY LARGE CATCHES.

Destin, April 6.—Yesterday was a lucky day with some of the fishermen. Fred Williams got about ten thousand pounds of mackerel at one haul. Marler brothers caught about five thousand pounds and L. D. Woodward fifteen hundred pounds.

The "William Crawford" went down Sunday with fish, also the "Dixie" and "Sadie Cochran."

"Voucel" the little girl of Mr. and Mrs. Ed Bedsole, had the misfortune to get some lye in her eye, and suffered terribly. Mrs. Bedsole carried her to Pensacola Sunday to have something done for her.

Destin was pretty well represented at Camp Walton Saturday, Messrs. S. T. and George Marler, Sam Smith, Harvey Jones, Frank Dunham, Wm. Marler's family and Fannie Woodward went down from here.

Mrs. T. C. Brooks was quite sick last week.

The school started today with Mr. Hosea George for teacher, and everyone is glad to have school for the children have had quite a vacation.

The masquerade ball at Hotel Francis was a great success. The Elk went down from Biggs with a crowd and the Swan brought a number of guests from Pensacola, and Harris. Everything was carried on very nicely and Mrs. Pryor was a most hospitable hostess.

Misses Maxine Sikes and Nellie Swinson of Pensacola, came up for the ball.

Mrs. R. J. Williams went to Pensacola Sunday.

A little girl was born to Mr. and Mrs. Joe Marler last Friday.

FINAL DECREE IN SEIZURE OF BAKING POWDER

COURT ISSUES ORDER THAT UNLESS THE MANUFACTURERS GIVE BOND FOR PROPER LABELING THE POWDER AND REDEEMING SAME IT WILL BE SOLD.

A final decree in the seizure of 331 cases of Hi-Lo baking powder has been issued in the United States court and unless the manufacturers comply with the order within twenty days it will be condemned and sold by the government.

The company is allowed this length of time in which to make a bond for the proper labeling of the powder. Costs incurred in the seizure must also be paid. The powder was seized about thirty days ago, but so far nothing has been heard from the manufacturers. It is believed now, however, that they will take some steps to redeem the goods. It is charged that each can, labelled 12 ounces, is nearly two ounces short in weight, and it was on this ground that the shipment was seized. It originally consisted of 750 cases, but the wholesale firm to which the shipment was consigned had disposed of large quantities of it before the government made the seizure.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide. Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

One dollar bottles guaranteed. W. A. D'Alemberte, special agent.
